

Photo Requirements for Event Recognition

REQUIRED:

- Headshot photos must be high resolution, against a white background, and preferably taken with a camera, not a cellphone.
- Headshots should be preferably taken by a professional.
- Photos must be between 5MB and 10MB.

NOT ALLOWED:

- Black and white photography
- Sunglasses.
- Pets.
- Filters.
- Photo editing.
- Children.
- Selfies.
- Clothing with heavy patterns, logos, or branding.

If photos are sent in that do not meet the requirements, Isagenix cannot guarantee the photos will be used for recognition purposes. If more than one recognition photo is sent in, the photo used will be chosen based off the approved photos on file to ensure the highest-quality photo is used on the deliverable at hand (e.g., flyer, website, signage, stage). Also please note that photos will be touched up by the creative team to soften fine lines, remove blemishes, etc. Please refer to your event flyers for additional information and photo deadlines.
